

Officer John Austin Death 07/16/20

Good Morning Correctional Staff and Men and Ladies presently incarcerated,

On behalf of Sheriff Charles M. Miller and our Salem County Correctional Staff, it is with deep regret that we must announce the sudden passing of Salem County Corrections Officer John Austin, at the young age of 38.

John served with honor for 12 years at both the Gloucester and Salem County Correctional facilities. His present assignment here was on B Shift - presently working here today in John's honor. John's B Shift Co-Workers and Friends will greatly miss him.

Let's have a moment of Silence for Officer John Austin.

Thank you....

In closing, we humbly ask God our Father to hear our prayers this morning for John, his wife Kathy, his children Madison and Logan, and John's extended family. Father, we know you always bear compassionate witness to our grief, and that you will repurpose our plan for healing.

WE pray that you comfort John's wife and children and his extended family as they grieve their great loss. WE thank you father for watching over the Austin Family , and for guiding us to support them in their time of great need and healing. Amen.

THANK YOU.
